

SECOND *PENNSYLVANIAN* SERVICE LAUNCHES NOVEMBER 18, 2026

Beginning November 18, 2026, Amtrak will begin operating a second daily roundtrip of the *Pennsylvanian* train service between Pittsburgh and New York via Harrisburg, Philadelphia, and stops in between. This added frequency will provide more travel options for passengers across Pennsylvania. This state-supported service is sponsored by the Pennsylvania Department of Transportation (PennDOT).

Background:

- The *Pennsylvanian* currently runs one daily roundtrip between New York City and Pittsburgh, Pennsylvania.
- At the request of PennDOT, Amtrak will double service on the 444-mile route beginning November, 18, 2026.
- In Pittsburgh, connection is available to the *Floridian*, to and from Cleveland, Toledo, Chicago and intermediate points.

Highlights:

- Scenic views include the Allegheny Mountains, the Susquehanna River, the famous Horseshoe Curve, the Historic Rockville Bridge, and Pennsylvania Dutch Country.
- Coach and Business Class seating available.
- Onboard amenities include Wi-Fi and cafe service, with special Pennsylvania based menu items.
- Checked baggage and bicycle service will be available on Trains 42 and 45.
- Operates over Norfolk Southern Railway's Pittsburgh Line, Amtrak's Harrisburg Line, and Amtrak's Northeast Corridor.

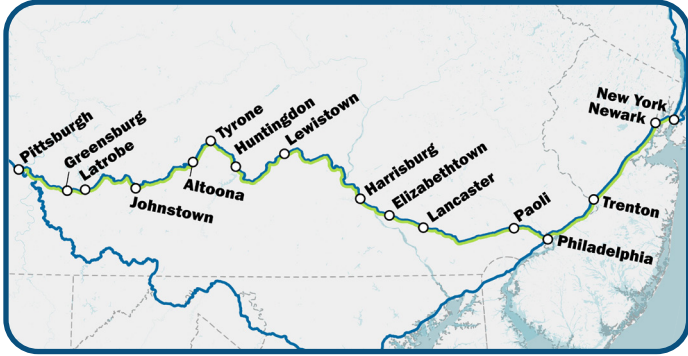

Tickets available at Amtrak.com, the Amtrak app, many stations, or by calling 1-800-USA-RAIL (1-800-872-7245).
